

# Writing for Change 2025

*The importance of writers is that they are here to describe things which other people are too busy to describe*

## Call for Applications:

The Centre for the Advancement of Social Impact and Transformation in partnership with the Writing Lab is offering selected students an opportunity to learn to write for social justice, change and transformation in an interactive, fully-funded writing programme

**Who can apply?** Undergraduate students from any academic discipline who are interested in transformation issues and developing their critical writing skills and abilities
